WYE OAK, the official state tree of Maryland had the largest white oak, in over 400 years old. This magnificent [illegible] of four tall and 146 feet wide.

Dear Senator Mathias:
I ask you to raise your voice in support of efforts to save the life of Kim Dae Jung of South Korea. Without the strongest kind of warnings from the U. S., this popular spokesman for democracy will most certainly die. The ruthless military dictatorship in South Korea has already demanded the death penalty. Please make an effort to save him.
